**INTACS® certified Provisional Assessor ISO/IEC 33061****Objective**

This training prepares participants for the INTACS® certified Provisional Assessor ISO/IEC 33061 exam and deepens knowledge already acquired in the INTACS® certified Process Expert ISO/IEC 33061 training. Participants acquire valuable knowledge and hints to support a certified Competent Assessor as a co-assessor during assessments in their own company or at suppliers or to optimize processes based on assessment results.

In addition to attending the training, participants will be given several homework assignments to present during the training. Active participation in the entire training course is the key to success.

**Content**

- Recapitulation of core elements of ISO/IEC 33061
- Deepening the knowledge about process dimension and capability dimension
- PAM Overview
- Process Dimension
- Homework Process Dimension
- Process Quality Dimension
- Rating Guidelines
- Assessment Process
- Exam Preparation and Trial Exam

**Target Audience**

- People planning on becoming certified assessors (N.B.: the certification as an INTACS® certified Provisional Assessor ISO/IEC 33061 is the prerequisite to continue with the next step in becoming an INTACS® certified Competent Assessor ISO/IEC 33061.
- Anybody who wants to deepen knowledge about the ISO/IEC 33061 model.

**Duration**

- 5 days

**Preconditions**

- Participants should have several years of professional experience in the non-automotive industry (e.g. software/system development, project management, quality management, etc.)
- INTACS® certified Process Expert ISO/IEC 33061

**Constraints**

- Maximum of 12 participants per training

## Exam

- Passing the exam is a prerequisite for participation in the ECQA certification process
